Overall Comments

General hard limits are anything that will or could permanently harm the slave, could cause it to be killed, arrested or cause it issues at work/with its immediate family. It belives it exists to serve so although it has little desire to do some of the above activities it would do so and would enjoy them because it knows it is taking part to please it's owner.

KEY

	Experience
None/Very Little	This has never been experienced or perhaps experienced once or twice
Some	This has been experienced several times - some things will fit naturally into this category and are not likely to be experienced often
A Lot	This was experienced often or regularly

	Enthusiasm
None/Very Little	The slave would not be bothered if this didn't happen again
Some	The slave would like to experience this at some point
A Lot	The slave is keen to experience this

	Limits
Hard Limit	This is limit that is un-negotiable
Soft Limit	The slave really does not like this but may be OK experiencing if it is very much essential
No	No restrictions
